BEAR MOUNTAIN BLAZERS SNOWMOBILE CLUB

In the 1980-81 season the Bear Mt. Blazers installed a new bridge south of Pearly Hill, made a new trail off the south end of Long Pond to give a more direct and safer route to Bartlet Pond and re-secured the washed-out bridge near Myrtle Weed's residence.

The Club is presently striving to build or purchase a rescue sled to be made available for any snow-related emergency in the area.

Plans are still afoot to purchase some sort of a trail groomer in the future.

Respectfully submitted,

James Holt, Vice President
Bear Mt. Blazers

FIRE DEPARTMENT REPORT

The Fire Department this year has answered 42 calls. Four major fires being at Willie Dube's, Turner Farms Store, Ronald Avanzato, and one out of town house fire in Canton. Break down of calls is as follows: Six house fires, 18 chimney fires, seven car or accident calls, nine grass and woods fires and two mutual aid calls to Canton and Turner.

The Department would like to remind everyone with wood burning stoves to keep their equipment and chimney's clean as well as in good working condition, also replace smoke alarm batteries, install new alarms if needed, please take a moment and discuss a fire escape plan and meeting place with members of your family.

Fire Department telephone numbers are available from the Town Office or Fire Chief, please stick them on your phone to avoid confusion with the telephone operators over calling the wrong department.

I thank the firemen for showing their interest in training, maintaining and cleaning the Town's equipment.

Respectively yours,

Carlton Berry, Fire Chief

LIBRARIAN'S REPORT

The Annual meeting of the Livermore Library Association was held at the Library on June 17, 1980. The following officers were elected: President, Milo Denny; Vice President, Arthur Booth; Secretary, Marcia Hamblin; Treasurer, Myrtle Gordon; Librarian, Mary Booth; Assistant Librarian, Marion Irish; Trustees for three years, Myrtle and Reuel Gordon.

Last summer Arthur Booth and Marion Irish repaired and painted all the windows in the front room of the Library. In addition to being more energy efficient, the looks of the room is much improved.

Unfortunately the major portion of this year's budget has gone for fuel oil. The book budget must depend on state funds, book fines and donations.

Group visits include Cub Scouts Pack 599, 1st Grade from Gibbs Mills School, the Wayside Christian School, and a group from the Livermore Summer Recreation Program. The Historical Society held their May and June meetings at the Library and the Planning Board held their June meeting there.

From March 11th through May 27th, a Literary Group met each Tuesday to read and discuss books. There are plans to start again in the spring.

An Open House and Book Sale was held on August 16th, Old Home Day. We had many visitors interested in seeing our collection of old pictures.

The Librarian and her assistant attended the Small Library Association meeting in Monmouth in April. The Librarian also attended a Book Selection meeting at Lithgow Library, Augusta in May.

The circulation for 1980 was 2,445 which is quite an increase over the year before. However, we urge more people to take advantage of this service. We have a large assortment of books for young and old. We also have some Large Print Books which come from the State Library. There are over 5800 volumes in the Library.

ANDROSCOGGIN HOME HEALTH SERVICES, INC. ANNUAL REPORT 1980

This constitutes a request for financial support of our home care program during the coming year. The amount we are seeking through an appropriation at your annual town meeting is \$914.

As you will note, this represents an increase over the amount requested and appropriated this year. The reason for the change is due to the population increase in your town as reported in the preliminary 1980 census count issued by the Maine State Planning Office on October 8. The proration of our request remains at the 1980 level of 50 cents per capita.

We are aware that the 1980 census count has been controversial in some municipalities. In spite of this we felt compelled to use the updated figures in order to more equitably distribute the financial burden. I would appreciate hearing from you if the 1980 2nd count is being challenged by your town.

We will provide our annual summary report of services as soon as possible. You should expect to receive it not later than January 15.

If you have any questions pertaining to this request or about the services provided to residents of your community, please contact me at one of the numbers listed above.

Thank you.

Sincerely yours,

Richard H. Hooper
Executive Director

WESTERN OLDER CITIZENS COUNCIL, INC.

As the Area Agency on Aging serving the elderly of Western Maine we are requesting funds from the Town of Livermore for 1981.

We are continuing our services to the elderly of the three counties by providing a multitude of services essential to helping many local elderly maintain an

independent life in their own home. Our Agency Elder Advocates help the elderly to benefit from available programs such as Tax and Rent Refunds, winterization, oil rebates, SSI, Food Stamps and any timely services to lessen their burden during these inflationary times.

Sub-contracts with Androscoggin Home Health and Western Maine Transportation insure valuable services that are essential for remaining at home and preventing premature institutionalization. In addition W.O.C.C. has instituted, since 10/1/80, a volunteer transportation system for high priority medical rides based on individual assessments of the elderly with no other means of transportation.

Legal services and the Retired Senior Volunteer Program are also available to meet specific needs. Our Agency newsletter is sent to 10,000 elderly in the Tri-County, it contains factual up-to-date information about programs and services and reaches many elderly including those unable to attend meal sites or Senior Citizen Centers.

The Nutrition Program provides congregate meal sites as well as home delivered meals. Special week-end meals for some home delivered participants are also provided as well as special meals for storm days and holidays.

Western Older Citizens Council does not charge for any of its services, though donations are accepted for transportation and meals.

We are requesting \$705.00 for 1981 to support our work. This money will be used to match federal and state funds.

The elderly of Livermore received the following services in 1980:

Home Health Services	18
Advocacy Referrals	40
Transportation	1,647 (Passenger Miles)

The attached brochure and newspaper also describe services provided by our agency. If you need any additional information, please feel free to call me at 1-800-482-0976.

We would appreciate your financial support of our program during the coming year.

Sincerely,

Robert B. Armstrong
Executive Director

TRI-COUNTY MENTAL HEALTH SERVICES REPORT

Tri-County Mental Health Services is the federally designated and state licensed comprehensive community mental health center providing a range of services to the residents of your community. We have been providing the services since 1951. Tri-County is a private nonprofit corporation. It is governed by a Board of Directors of thirty people representing, proportionately, the residents of Androscoggin, Franklin and Oxford Counties. The Board of Directors,

ASSESSOR'S NOTICE

In accordance with Chapter 91A, Sec. 34 R.S. 1954 as amended, the Assessors of the Municipality of Livermore, Maine hereby give notice to all persons liable to taxation in said municipality, that they will be in session at Selectmen's Office in said municipality, on the first day of April, 10:00 A.M. - 4:00 P.M. for the purpose of revising lists of estates taxable in said municipality.

Resident Owners

All inhabitants of the municipality of Livermore, Maine and all Administrators, Executors, Trustees, etc. of all estates taxable in said municipality of such persons are hereby notified to MAKE AND BRING IN TO THE ASSESSORS TRUE AND PERFECT LISTS OF THEIR ESTATES, REAL AND PERSONAL, not by law exempt from taxation, of which they were possessed on the first day of April, 1981, and be prepared to make oath to the truth of the same and to answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed.

Estates Distributed

And when estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the Executor, Administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice, will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

**Please return this form to the Board of Assessors
by April 1st.**

The foregoing is submitted in compliance with Section 34 of Chapter 91-A of the Revised Statutes of 1954 and is true and correct to the best of my belief as of April 1 of the current year.

I understand that the assessors may require me to make oath of the foregoing, and that any of them may require me to answer in writing all proper inquiries as to the nature, situation and value of any property liable to be taxed in the State of Maine: And that a refusal or neglect to answer such further inquiries and subscribe the same will bar an appeal to the county commissioners.

Persons Doomed

And any person who neglects to comply with this notice is thereby barred on his right to make application to the ASSESSORS or the COUNTY COMMISSIONERS, for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

Blank schedules are inserted in the center of this Town Report and may be removed and sent to the Assessors Office upon completion.

representing your community, legally oversee all of the financial and programmatic operations of the center. They are there always to speak on your behalf.

Tri-County provides the following range of services for the residents of your community: inpatient services (at St. Mary's General Hospital); outpatient services (at six different locations in Androscoggin County); consultation, education, training and prevention services to other caregivers in the community (schools, police, nursing homes, etc.); partial hospitalization services, for the chronically mentally ill; emergency services (twenty-four hours a day, seven days a week, fifty-two weeks a year); a range of services to the criminal justice system (to the courts, probation and parole, etc.); rehabilitation services to the mentally retarded; and alcohol and drug abuse counseling services.

It is the foremost intention of this agency to reduce emotional pain and dependence upon chemicals, to rehabilitate those in need and to prevent people from ever needing our services. Your appropriation serves to defray the cost of our services which the residents of your town cannot afford to pay. This makes us truly a public service. No one is ever refused service because of inability to pay. Every effort is made, however, to collect payment for services, which is predicated upon a sliding fee scale assessment of a patient's ability to pay.

During the past year we have served 4 residents from your community. I am sure that what we have done, and what we do generally is known to many of you reading this report. We would be most appreciative of any positive or negative reactions you have to what we do or to what we ought to be doing.

Thank you for your support in the past. We hope that in this time of economic and emotional stress, that your support for our services will continue. It is needed more than ever.

Thank you for considering our appropriation request.

Sincerely yours,

Palmer P. Jones, President
Board of Directors

ANDROSCOGGIN HOME HEALTH SERVICES, INC. ANNUAL REPORT — 1980

In 1980 more than 12,500 individuals in the Tri-County area (Androscoggin, Franklin, Oxford) received services from our agency. In keeping with the growing public interest in the maintenance of good health, we are pleased to note that the majority of recipients were provided services designed to promote and preserve good health through early detection of disease. A good example of this emphasis was our growing and very successful industrial health screening program in Androscoggin and Oxford Counties. Financed by participating industries, the program provides early detection of hypertension, a highly debilitating disease which is virtually without symptoms.

Despite the growing emphasis on prevention, the provision of therapeutic services to patients in their own homes continued to occupy the major share of staff time. Regionally we provided 44,644 home visits to 2,029 persons of all ages, the majority being over 55. As noted in past reports, home care services meet a variety of health care, as well as social needs and, in many cases, reduce or eliminate dependence on institutional services.

The financial aid which municipalities provide is used exclusively to help pay for home care given to uninsured individuals who are not able to pay for all their needed health services. In 1980 we provided over a quarter million dollars in services without charge to patients, thanks, in large measure, to your support.

In Livermore, 16 residents received 321 home care visits. These included nursing, 85; physical therapy, 49; occupational therapy, 2; home health aide, 51; and homemaker service, 134.

In closing, I want to encourage individuals with questions regarding the availability of services to contact us at our Auburn office, or at the Rumford branch office. We look forward to serving you in 1981.

Sincerely,

Richard H. Hooper
Executive Director

THE TASK FORCE ON HUMAN NEEDS REPORT

Task Force on Human Needs is the Community Action Agency serving Androscoggin County. The agency has the mandate to implement locally the Economic Opportunity Act of 1965 in reducing the burden of poverty in Livermore.

The agency, which is governed by an eighteen member board of directors, operates three basic programs: Androscoggin Comprehensive Training, (ACT), Housing, and Community Programs.

The ACT Program provides skill training and job development under the federal CETA program. Opportunities in ACT include work experience, on-the-job training, classroom training, youth employment, counseling, career education, and job development. ACT also administers a Summer Youth Program.

The Housing Program administers the Department of Energy Weatherization project as well as home repair and rehabilitation. Additional projects include a solar greenhouse demonstration and innovative design and application of solar technology for mobile home vestibules.

Community Programs operates the fuel assistance project to help people pay fuel bills. VISTA Community Community Organization and Outreach services are part of Community Programs. Community Programs is the developmental part of the agency for new projects.

The following is a report of services provided to the residents of Livermore this past year.

COMMUNITY EMERGENCY SERVICES, INC.
Town of Livermore Yearly Report

I am thankful for the support of the residents of the Town of Livermore for your generosity in the past year towards our ambulance service. With your support as well as the support of the many clubs, organizations, private donations, industrial and local businesses, and the volunteers in the Tri-Town area, we have been able to offer an alternative in Emergency Medical Care.

Looking around the state at other volunteer services, we can be proud of the ambulance equipment, communication equipment, and number of trained people involved and available for emergency situations.

Training has been extensive this last year and we have come a long ways. I would like you to read a letter received from Dr. Cameron Bopp, Director of Emergency Services, Franklin Memorial Hospital, regarding Community Emergency Services, Inc. (C.E.S.).

"The citizens of northern Androscoggin and Frankling counties are fortunate to be served by several excellent ambulance and rescue organizations. The organization of the C.E.S. ambulance service and its performance during the past year have convincingly demonstrated the important role that a community volunteer service can play in the EMS (Emergency Medical Services) system. Dedication, enthusiasm, and above all the willingness to take on the hard work of studying, training, and then performing under pressure, are the attributes that have characterized the group."

"The challenge for CES volunteers for the future lies in maintaining the level of these same qualities as personnel continue to pursue advanced training. For this, the support, encouragement and gratitude of the communities that they serve is essential."

Without question, the Town of Livermore's support and encouragement has been one of the reasons we have the equipment and personnel we have today.

I wish to extend my sincere thanks to each and everyone who's enthusiasm and support has made C.E.S. successful.

Sincerely yours,
 "Community Rescue"
 Tom Richmond

BUILDING COMMITTEE REPORT

The Building Committee was appointed by the Selectmen for 1980 as required by separate article of the Town Warrant. The purpose of this committee was to carry out the actual construction of the new building approved at the last Town Meeting. However, due to the petitions presented the project was defeated. Other plans were presented and also defeated. Weeks passed into months and after a good cooling off period an attempt was made to resolve this question.

The Selectmen issued an opinion poll with the tax bills stating six different possibilities. The results as follows:

New Fire Station at North Livermore	167 yes - 6 no
New Town Office at North Livermore	111 yes - 55 no
Combined Fire Station and Town office at North Livermore	103 yes - 55 no
Sell School Lot buy other Lot at North Livermore	38 yes - 125 no
Fire Station at North Livermore not on School Lot - Town Office on the end of Community Building	35 yes - 120 no
Fire Station at North Livermore not on School Lot - Town Office under Community Building	46 yes - 111 no

This poll was not made available to us until Dec. 11, 1980.

As shown in the above report this poll expressed a very strong choice to locate a new building on the North Livermore School Lot for a Fire Station and Town Office.

Although the Selectmen felt the poll was insignificant as only 167 returned, the Committee felt that we should consider this information in whatever recommendations we would make.

As there appears to be no expressed opposition to locating the Fire Station at North Livermore, the Committee feels the question is where to locate the Town Office. Do we locate it in Brettuns as has been previously expressed or do we combine the two at one location at the North Livermore School Lot? With this in mind the Committee has outlined two proposals as follows:

1. To see if the Town of Livermore will vote to accept the following proposals:
 - A. Construct an addition to the Community Building at Brettuns to provide facilities for a new Town Office.
 - A. Make the necessary renovations to the existing building to meet present day codes and energy requirements.
 - C. Approve the construction of a new separate building at the North Livermore School Lot to be used by the Fire Dept.

Annual Report : 1980

- D. Approve funds in the amount of \$ for preliminary plans for these two projects.
 - E. Require the Selectmen and Building Committee to obtain firm bids for this proposal.
 - F. Final approval of this proposal to be voted upon at a special referendum election.
2. To see if the Town of Livermore will vote to accept the following proposal:
- A. Construct a new building on the school lot at North Livermore to provide facilities for a new Town Office and Fire Station.
 - B. Approve funds in the amount of \$ for preliminary plans for the new building.
 - C. Require the Selectmen and Building Committee to obtain firm bids for this proposal.
 - D. Final approval of this proposal to be voted upon at a special referendum election.

As of this date these proposals have been sent to the Maine Municipal Association for legal work and we are waiting patiently for their recommendations.

These two proposals are the results of many hours of work by this committee and hopefully will resolve this question. We have considered many other possibilities. The Town must decide what is the best long range choice. Whichever one is approved the Town must maintain for many years to come.

By the time this report appears in the annual Town Report we are hopeful that public hearings will already have taken place and possibly a referendum held to decide what if any the Town prefers to do. Additional action may be required at the annual meeting.

RECREATION PROGRAM REPORT

The Livermore Summer Youth Program sponsored by the Town of Livermore started June 23 and ended August 11, 1980. Enrollment consisted of 49 children from Livermore. The children met daily at the Community Building from 9 a.m. to 1 p.m. A variety of outside activities such as softball, frisbee, touch football, jumb rope etc. were enjoyed. Inside activities such as checkers, paddle pool, arts and crafts etc. were available.

Many days included special events. A reading program where the children play-acted, made paper boats and heard their favorite stories were enjoyed. One day included a walk to the Livermore Library. A class was conducted in Macrame. Students made belts and plant hangers. A class in pet care and one on bicycle safety was conducted. A real magician performed magic tricks and entertained the group. The children joined in a guitar sing-along. A full week was

devoted to nutrition. The children went to the No. Livermore Church and cooked and ate their own cooking and also cleaned up.

Four trips were taken: 1. To Turner to hear the group "Spirit of America" from the Hyde School of Bath. 2. To the Norlands. 3. To the Augusta Museum and the Capitol Building. 4. To the Rumford Zoo.

Three full weeks were devoted to swimming lessons.

Students had a car wash at Richard's Mini Mart. They also sponsored a High School dance.

This program was geared to be fun but educational at the same time. For students to sign up, they had to be entering second through eighth grades in the Fall of 1980.

The Livermore Falls High School Recreation Program which started June 16 and ended August 8, 1980 was available to High School students from Livermore this summer. The High School gym was open every Mon., Wed., and Fri. night from 5:30 p.m. to 9 p.m. Available at the gym were basketball, volleyball, soccer and frisbee. Many independent activities were going on at different times during the week. The Livermore Falls Fire Dept. and I.P. teams incorporated our students for softball games. Tennis, golf and track took place with volunteer coaches. Quilting, macrame and Great Books Reading were done in private homes. The students volunteered their services at the Hospital, Pomeroy Hill Nursing Home, and at the Ambulance Dispatch office.

A coach was hired to be at the High School gym on open nights, and every night a different set of parents helped chaperone.

Marie Boucher

BOARD OF APPEALS

The Board of Appeals met with four members present at the Community Building on August 14th and re-elected James Hodson, Chairman and Emily Pike Secretary. Other members present were Myrtle Gordon and Calvin Gammon. Vernie Heird was absent. Also attending was Lowell Bowles and Arthur Booth.

The issues of Variances being granted by the Planning Board was discussed and it was requested that an article or section be added to the building code and comprehensive plan to that effect.

This was the only meeting of the appeals board for 1980.

COMMENTS
Year Ended December 31, 1980**

An audit has been completed of the financial records of the Town of Livermore, Maine, for the year ended December 31, 1980. The audit consisted of an examination of the records maintained by the Selectmen, the Tax Collector, the Treasurer and the Clerk. The Trust Funds and Federal Revenue Sharing were also verified.

The Cash Account has a balance of \$166,175.29. Tax Liens has a balance of \$4,187.58, and Taxes Receivable a balance of \$24,258.49.

This report is on file at the State Auditor's Office in Augusta, as well as in the Town Office.

Board of Selectmen
Town of Livermore
Livermore, Maine

Gentlemen:

In accordance with your request, an audit has been conducted of the financial records of the Town of Livermore for the fiscal year ended December 31, 1980.

The examination was made in accordance with generally accepted auditing standards and subsequently included such tests of the accounting records and such auditing procedures as were considered necessary in the circumstances.

In my opinion, the results incorporated in this report present fairly the financial position of the Town of Livermore as of December 31, 1980, and the results of its operations for the year then ended.

Respectfully submitted,
Harold L. Jordan
Auditor

ASSESSOR'S NOTICE

In accordance with Chapter 91A, Sec. 34 R.S. 1954 as amended, the Assessors of the Municipality of Livermore, Maine hereby give notice to all persons liable to taxation in said municipality, that they will be in session at Selectmen's Office in said municipality, on the first day of April, 10:00 A.M. - 4:00 P.M. for the purpose of revising lists of estates taxable in said municipality.

Resident Owners

All inhabitants of the municipality of Livermore, Maine and all Administrators, Executors, Trustees, etc. of all estates taxable in said municipality of such persons are hereby notified to MAKE AND BRING IN TO THE ASSESSORS TRUE AND PERFECT LISTS OF THEIR ESTATES, REAL AND PERSONAL, not by law exempt from taxation, of which they were possessed on the first day of April, 1982, and be prepared to make oath to the truth of the same and to answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed.

Estates Distributed

And when estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the Executor, Administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice, will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

**Please return this form to the Board of Assessors
by April 1st.**

BEAR MOUNTAIN BLAZERS SNOWMOBILE CLUB

This past winter saw the final arrival of snow after an absence of two years. Due to the lack of snow to say the Blazers were real active the past two years would be an over-statement. However, some work has been done, such as a new bridge placed across the brook between the Lovewell residence and the south road and also a new trail cut around the gravel pit in front of Irma Smith's on the old River Road.

The club is finally in the process of building a rescue sled to be made available for any snow related emergency in the area.

Problems have arisen with those of us trying to drag trail groomers with the new type of snowmobiles. Snowmobiles today are made mostly for speed or comfort and not work. The club is striving to raise money enough to buy a work-type snowmobile for this purpose.

Respectfully submitted,
James Holt, President
Bear Mt. Blazers

FIRE DEPARTMENT REPORT

The Fire Department this year has answered 45 calls, up roughly 10 more than normally. Most of these were the result of car accidents and chimney fires. One of our largest fires was the Turner Farm Poultry complex.

Old Engine #1 has been refurbished. The tank has been scraped down and re-coated, the pump overhauled, truck and cabinets painted and undercoated. A

new generator and lighting system was installed which makes us a real attractive truck. Weather permitting, we will have this on display at Town Meeting for your inspection.

This year we would like to go after the rust on Engine #2 by cleaning the tank and undercoating the chassis. Also there is a need to replace miscellaneous lengths of hose and equipment.

We would like to ask that everyone install more than one smoke alarm in their, also those who had them in for a few years please check your batteries and electrical hook-ups to see if they are working properly. Please take a moment out and inspect your home for fire potential. Are your ashes being taken care of properly? Is the house cleaning such that a fire could not have a start? Are your fuse box and wiring properly installed? Please feel free to call on this Department for any assistance we can help you with. Please put our telephone number in a conspicuous place in case of emergency, which is 897-3619, and these stickers can be obtained at the Town Office.

We would like to remind the Town that we are still in need of a suitable Fire Station and trust that in the near future you will provide this.

As in the past, we would like to express our appreciation for the fine equipment the Town has provided. Also, we would like to thank all the Volunteer Firemen for their time and assistance in fighting fires and installing and repairing the equipment.

Respectfully submitted,

Carlton M. Berry, Fire Chief

LIBRARIAN'S REPORT

The annual meeting of the Livermore Library Association was held at the library on June 16, 1981. The following officers were elected: President, Milo Denny; Vice President, Arthur Booth; Secretary, Marcia Hamblin; Treasurer, Myrtle Gordon; Librarian, Mary Booth; Assistant Librarian, Marion Irish; Trustees for three years, Marcia Hamblin, Hilda Kirwan and Arthur Booth.

The Bear Mountain Blazers Snowmobile Club provided the paint and the manpower to paint the outside of the library. On May 17th a crew of about fifteen people came with ladders and brushes to do an excellent job.

Another major project was moving the oil tank. Arthur Booth, Charlie Timberlake and Victor Dercole moved the tank to the cellar. We are now able to use regular fuel oil without the addition of kerosene.

Mary and Arthur Booth attended the Spring meeting of the Small Library Association at Poland and the Fall meeting at Rangeley. The librarian also attended two book selection meetings at the Auburn Library.

Group visits were made by the first grade from Gibbs Mills School and the Summer Recreation Program.

We wish to thank Walter Pulkkinen for keeping the grass mowed in the summer and Charlie Timberlake for keeping the snow moved in winter.

Mary W. Booth, Librarian

WESTERN OLDER CITIZENS COUNCIL, INC.

It is time for our annual request for town funds. Western Older Citizens Council, Inc. is the designated Area Agency on Aging in Western Maine. During the fiscal year of 1981, we served 11,470 elderly in the Tri-County area. Our goal for the upcoming year is help more individuals to remain at home, and to improve the quality of life for "at risk" elderly in need of special services.

We have recently initiated a Case Management System in all three counties. As the base of service expands in the next year we will be in an even better position to help arrange and monitor services to "at risk" elderly and delay as long as possible the need to go to a nursing or boarding home. In addition, we will continue to offer the many services that have meant so much to all the elderly that we have served.

ADVOCACY: WOCC Elder Advocates are helping the elderly derive full benefits from available programs, such as Tax and Rent Refunds, winterization, fuel rebates, SSI and Food Stamps. They advocate for elderly clients arranging appropriate services and work with Case Managers to facilitate an appropriate plan of care for "at risk" elderly.

NUTRITION: Home delivered and Congregate Meals.

The Nutrition Program provides congregate and home delivered meals in 19 meal sites in the Tri-County area. Home delivered meals are helping elderly remain at home, encouraging independence and delaying institutionalization. Special arrangements are made for week-end meals when necessary and for case management clients who are not in the regular service range.

CASE MANAGEMENT

Who Is It For?

Case Management is for people who are 60 years of age or older, who have a variety of problems which threaten ability to live independently, and who have few personal resources with which to solve these problems.

Persons who are at high risk of Nursing Home or Boarding Home placement or who are unable to provide self-care without assistance should be referred to Case Management when informal support system (family, friends) proves unable to meet all needs for care and supportive services.

How Does It Work?

After an initial visit in which needs are assessed and possible services are discussed with the client, a service plan is developed and services are secured by the Case Manager; these services are monitored periodically and reassessed every six months to assure that they continue to meet client needs.

Case Management is an ongoing service. As problems and concerns arise for the Case Management client, the Case Manager will offer support and counselling and will respond to the situation.

Cost?

There is no fee for this service.

HOME HEALTH: Through sub-contract agreements with Androscoggin Home Health and other home health providers, homemaker, home health aide, nursing and therapy is provided in the home for approved clients. The Home Based Care Act, L.D. 1620, will make available funds to help the elderly receive home care through the use of personal care assistants, encouraging arrangements for home health services throughout the region.

TRANSPORTATION: Through sub-contract agreements with Western Maine Transportation a portion of the transportation services is arranged and paid for by WOCC. Volunteer/escort transportation is available for medical priority rides on an individual assessment basis. During the upcoming year WOCC will assume responsibility for the transportation needs of "at risk" elderly, and elderly with priority needs. All will be assessed individually and will not conflict or duplicate services provided by Western Maine Transportation.

RETIRED SENIOR VOLUNTEER PROGRAM: In keeping with the volunteer spirit of people helping people, our RSVP volunteers are working many hours at Volunteer Stations throughout the region. They provide needed manpower to reduce expenses providing free services in libraries, schools, hospital and many other agencies.

In conclusion, our agency newsletter, the Elder Advocate, is sent to 10,300 elderly in the Tri-County area, keeping them informed of all the latest changes in services and regulations. Elder-crafters provides an opportunity for frail elderly in their homes to sell their crafts, giving them an opportunity to earn from their valuable skills. Legal Services are also available on a regular basis when special problems occur requiring individual legal assistance.

To match state and federal dollars and keep our services available, we are requesting **\$705.00** for 1982. This represents 10% of the total value of the services received by the elderly in your town. **Twenty-four (24) elderly citizens in Livermore** received the following services in 1981:

Home Health	35
Congregate Meals	14
Advocacy Referrals	33
Transportation	1,889
(Passenger Miles)	

Please feel free to call me at 1-800-482-0976 for additional information. Your financial support of our programs during the coming year is of great importance to the elderly in Livermore.

Sincerely,

Eloise L. Moreau

Interim Executive Director

Help strengthen family relationships with their children and with others who are important to their lives.

We are here to:

Help strengthen peoples' self-confidence and their ability to control their own lives.

We are here to:

Help children who are having problems to grow up into capable, responsible adults.

We are here to:

Help reduce the amounts of child abuse and drug/alcohol dependency.

We work toward these goals through =

- individual, family, and group counseling
- consultation with teachers, doctors, social workers, lawyers, etc., with clients active consent
- training programs for professionals
- public education programs

YOUR MENTAL HEALTH CENTER: Some Facts

PURPOSE

- Your center's main purpose is to help people cope with the inevitable pressures, decisions, problems and crisis of everyday life; to relate positively to family, friends, school and work. The center also strives towards preventing and rehabilitating people within the community so that they may enjoy life to a fuller extent.

FEE POLICY

- Our programs are set up where fees are based on a sliding scale that includes family size and income; however, no person will be refused services because of their inability to pay for them.

FUNDING

Tri-County Mental Health Services is funded by a combination of resources, including federal, state, and local monies along with client fees. Local tax dollars are a vital link in our ability to maintain our sliding scale fee policy.

TYPES OF SERVICES

Outpatient: Provide help with personal, family, marital, and other life crisis situations.

Emergency: Provide immediate intervention in dangerous or life-threatening situations

Community Support: Provide long-term follow-up and support for people with chronic mental illness

Alcohol & Drugs: Provide help to individuals and families with substance abuse problems

Consultation & Education: Under special contract and/or for no charge - the clinic provides training, psychological consultation to schools, industry, clergy, law enforcement agencies and human service agencies

CONFIDENTIALITY

All information shared with the center's staff is confidential and is **not** available to others without your permission or knowledge.

GETTING HELP: If you need help, call our office in Lewiston - 783-9141. Emergency Services are available 24-hours a day at this number.

The staff of social workers, counselors, psychologists, nurses, psychiatrists and administrative personnel work together in an effort to provide timely care in the most effective way.

FEE POLICY STATEMENT

Tri-County Mental Health Services is a private non-profit organization. Our income is dependent upon government grants, private funds and client fees. The present average cost for services is \$45.00 per hour.

If you are not financially able to pay the full fee, a discounted rate may be arranged according to our discounted rate schedule based on gross income. To obtain this discount you will be asked to present verification of income.

Tri-County's policy is to bill health insurance whenever a client has such insurance. However, most insurances do not reimburse us our full cost.

All clients are expected to pay their fee every time they come in. There may be exceptions, please see the payment secretary for specific information about your coverage. When a client has third party insurance, the client's responsibility for payment will be the lower of his/her fee assessed or the difference between the charge and the payment received from the insurance company. In most cases, the fee assessed will be the lowest. Should the combination of the insurance payment and fee paid by the client exceed our charge, TCMHS will credit that client's account for the overpayment. If a client's case is closed, we will refund the overpayment.

Any client who has insurance coverage and elects not to have TCMHS file on their insurance, he/she will be responsible for the full fee.

No one will be denied care because of a real financial inability to pay our fee. However, we reserve the right to defer service to you when you do not honor your agreement to pay for services received.

It is important that you notify us at least 24 hours in advance if you must cancel your appointment. A \$5.00 charge will be billed if you fail to give us proper notice. Exceptions are made for extremely bad weather and other rare extenuating circumstances approved by the Unit Director.

The minimum fee will be \$5.00. The fee you agree to pay will be adjusted according to the length of time of your session but never below the \$5.00 minimum.

THE TASK FORCE ON HUMAN NEEDS REPORT ANNUAL REPORT OF SERVICES, 1981

The following is a compilation of services provided to the residents of Livermore by the various programs of the Task Force on Human Needs. The period covered by this report is October 1, 1980 - September 30, 1981. Since some clients receive more than one service from the agency, totals are aggregated as client contacts. The Community Service Worker for Livermore is Virginia Bishop.

COMMUNITY EMERGENCY SERVICES, INC.

To the Residents of the Town of Livermore:

As C.E.S. entered its third year of operation, I again express my sincere thanks for your support which has made it all possible.

This year I have submitted a financial report for 1981 also a break down of the ambulance calls we received.

As the financial report shows the cost of operating even a volunteer service is extremely high.

As we look forward to 1982 we will not forget the support given C.E.S. in our time of need.

Again, many thanks.

Sincerely yours,
 "Community Rescue"
 Tom F. Richmond

RECREATION

Registration for the Livermore Summer Youth Program was June 29, 1981 with 35 children signing up. We met from 9 a.m. to 1 p.m. every day until August 7, 1981. We did many educational as well as fun things. C.E.S. gave safety instruction and had the ambulance at the Community Building for the children to look at and ask questions. The children had dance instruction, dress-up day and ceramics. They visited the library and took part in a guitar sing-along. They studied nutrition and visited the post office. Everyone hiked up Bear Mountain.

We took two trips: one to the Gray Wild-Life and Fish Hatchery; also to the Monmouth Theater and Museum.

The last three weeks were spent at the Pond having swimming lessons.

We had local volunteer help again this year, plus a hired counselor for three weeks.

COMMENTS
Year Ended December 31, 1981**

An audit has been completed of the financial records of the Town of Livermore, Maine, for the fiscal year ended December 31, 1981. The audit consisted of an examination of the records maintained by the Selectmen, the Tax Collector, the Treasurer and the Clerk. The Trust Funds and Federal Revenue Sharing were also verified.

The Cash account has a balance of \$199,036.75. Tax liens has a balance of \$5,715.64, and Taxes Receivable a balance of \$41,339.47.

This report is on file at the State Auditor's office in Augusta as well as in the Town Office.

Board of Selectmen
Town of Livermore
Livermore, Maine

Gentleman:

In accordance with your request, an audit has been conducted of the financial records of the Town of Livermore for the fiscal year ended December 31, 1981.

The examination was made in accordance with generally accepted auditing standards and subsequently included such tests of the accounting records and such auditing procedures as were considered necessary in the circumstances.

In my opinion, the results incorporated in this report present fairly the financial position of the Town of Livermore as of December 31, 1981, and the results of its operations for the year then ended.

Respectfully submitted,

Harold L. Jordan
Public Accountant

BEAR MT. BLAZERS

Once again we have experienced an almost snowless winter. Without snow we are not as active as we would be in a normal winter. However, the old bridge across Ford Brook in back of Arthur Booth's residence was replaced by a new 30 foot bridge. Also, repairs were made on the small bridge west of Lovewells. A new bridge was installed south of Pearly Hill. A new trail from the Ford Brook crossing to Route #4, east of the Oberton residence was completed.

The club is still striving to obtain a work-type snowmobile to drag trails with. This would help eliminate dragging trails with our own light duty machines.

FIRE DEPARTMENT REPORT

The Fire Department this year has answered 31 calls, 1 house, 14 chimney, 9 car accidents, 4 grass and woods and 3 electrical fires.

A program was presented at the Elementary School for Fire Prevention Week.

Please take time to check your house for potential fire hazards, replace batteries in your smoke alarms and place our telephone number in a conspicuous place.

As in the past, we would like to express our appreciation for the fine equipment the Town has provided. Also, I would like to thank all the volunteer firemen for their time and service.

Respectfully submitted,
Carlton Berry
Fire Chief

CIVIL EMERGENCY PREPAREDNESS REPORT

The Director has attended three quarterly meetings this year and has set up a Communications and Warning Annex to be activated in case of a storm or hazardous alert.

The Fire Department was trained on receiving and dispatching communications from the State C.E.P.

Carlton Berry, Director

LIBRARY REPORT

The annual meeting of the Livermore Library Association was held at the Library on June 21, 1982. The following officers were elected: President, Arthur Booth; Vice President, Reuel Gordon; Secretary, Marcia Hamblin; Treasurer, Myrtle Gordon; Librarian, Mary Booth; Assistant Librarians, Marion Irish and Penny Pelletier; Trustees for three years, Esther Records and Penny Pelletier.

The major project this year was the addition of a new roof. This was necessary due to leaking from heavy snows and we lost a few books.

New paint and wallpaper has brightened the interior.

We are grateful to many volunteers this year: Charlie Timberlake for snow plowing; Walter Pulkkinen for mowing the grass; and those who helped prepare the room for painting and papering were Marion Irish, Penny Pelletier, Jane Keene, Patty McNair and Arthur and Mary Booth.

The first grade from Gibbs Mills School and the Summer Recreation Program made their annual visits.

Mary Booth and Penny Pelletier attended a book selection meeting at the Auburn Library.

Penny Pelletier came to us in April as a volunteer and has been a big help. Circulation has risen by over 900 volumes so the extra help was welcome on our busy days. Penny and Marion Irish did a great job during the librarian's recent illness.

Anyone wishing to volunteer, please contact the Librarian. With more help, we could keep the library open more hours thereby making greater use of our excellent collection.

Respectfully submitted,
Mary W. Booth, Librarian

COMMUNITY EMERGENCY SERVICES, INC.

To the residents of the Town of Livermore:

C.E.S. has again had a busy year, responding to slightly under 600 calls, an increase of 100 calls over 1981.

At present we have a squad of 44 ambulance personnel, approximately 30 of which are Emergency Medical Technicians and 15 of these members are from the Town of Livermore, this gives us one of the best ambulance response times in the state.

Although we are an all-volunteer service, we have found it necessary to hire one full time person this year (1983). This being a necessity due to our expanding organization. Ambulance calls for 1983 will average two calls per day and the paperwork alone to keep us operating involves two or three days per week. Even though we have had to hire a full time person, our expansion has enabled us to keep town subsidies from rising.

As we look forward to serving you in 1983, we again thank you for your support which has helped to bring our organization to where it is today.

Thank You on behalf of all C.E.S. personnel.

Sincerely yours,

Ken Bryant

Vice President

COLBY-BATES-BOWDOIN PUBLIC TELEVISION

Dear Town Officials:

The public television service provided to the people of South-Central, Maine by WCBB has been strengthened through the municipal grant in the amount of \$100.00 received from the Town of Livermore. This support is very much appreciated and helps to offset the reduction in federal matching funds.

Please feel free to contact me at any time regarding WCBB's service to the Town.

While the most meaningful thanks we can provide for your support is the 365 day a year program service it helps make possible, I hope you may wish to prominently display the enclosed certificate of appreciation.

Sincerely,

WMTS was founded in 1976 as a non-profit agency specializing in free-of-fare transportation to elderly, handicapped and low income persons on trip priority basis. Since 1976 WMTS has grown into a full fledged transportation company, providing public transportation on both fixed route and scheduled demand/response. WMTS now requires fares to be paid along with some free-of-fare services. WMTS is available to all residents of the Androscoggin, Franklin and Oxford tri-county area five days a week.

To familiarize yourself with the WMTS bus or to arrange for service, dial your local dispatcher. In the Lewiston area dial 784-9335. In the Southern Oxford County area, call collect 743-2535. In the Northern Oxford County, Northern Androscoggin and all of Franklin County, dial 1-800-482-0170. Once your ride has been set up by the dispatcher, a fare may be levied (payable upon boarding the bus) depending on your personal circumstances and/or trip type.

The mini-bus is and will continue to be successful as long as you, our ridership, continues to enjoy and utilize our service.

TRI-COUNTY MENTAL HEALTH SERVICES

Tri-County Mental Health Services is the federally designated and state licensed comprehensive community mental health center providing a range of services to the residents of your community. We have been providing the services since 1951. Tri-County is a private nonprofit corporation. It is governed by a Board of Directors of thirty people representing, proportionately, the residents of Androscoggin, Franklin and Oxford Counties. The Board of Directors, representing your community, legally oversee all the financial and programmatic operations of the center. They are there always to speak on your behalf.

Tri-County provides the following range of services for the residents of your community: inpatient services (at St. Mary's General Hospital); outpatient services (at seven different locations in Androscoggin County); consultation, education, training and prevention services to other caregivers in the community (schools, police, nursing homes, etc.); partial hospitalization services for the chronically mentally ill; emergency services (twenty-four hours a day, seven days a week, fifty-two weeks a year); a range of services to the criminal justice system (to the courts, probation and parole, etc.); rehabilitation services to the mentally retarded; and alcohol and drug abuse counseling services.

It is the foremost intention of this agency to reduce emotional pain and dependence upon chemicals, to rehabilitate those in need and to prevent people from ever needing our services. Your appropriation serves to defray the cost of our services which the residents of your town cannot afford to pay. This makes us truly a public service. No one is ever refused service because of inability to pay. Every effort is made, however, to collect payment for services, which is predicated upon a sliding fee scale assessment of a patient's ability to pay.

I am sure that we have done, and what we do generally is known to many of you reading this report. We would be most appreciative of any positive or negative reactions you have to what we do or to what we ought to be doing.

Thank you for your support in the past. We hope that in this time of economic and emotional stress, that your support for our services will continue. It is needed more than ever.

SUMMER YOUTH PROGRAM

Registration for the Livermore Summer Youth Program was June 28, 1982 to July 23, 1982. There were 37 children registered. Sessions were from 9 a.m. to 1 p.m.

The last day of the program saw 32 children off to the Monmouth Theater to see "The Emperor's New Clothes". This was one of the four trips the children went on this year. The other three were: to Perham's Mineral Store in South Paris where they were shown how stones are cut and polished and mounted. A tour of the store had items that could be purchased. We then went on to a quarry where rock samples were brought home to examine later. A trip to the Augusta Museum and Fort Western was taken. Another outing was to the Rumford Zoo.

This year, swimming lessons were during the first week and taught by Carolyn Vail. Margaret Dearborn instructed the children in good nutrition and snacks. Stan Davis from Tri-County Mental Health provided the children with a chance to voice their talents. We walked to the Livermore Library and hiked up Lee's Mountain. Time was spent doing stone rubbing, papier-mache, arts and crafts. Linda Westerhoff taught the children the art of make up and being a clown. We had costume day, and a game day that ended with ice cream, watermelon, candy and ribbons.

Counselors this year were: Brenda Crocker, Donna Robbins, Sue Tremblay, and Shaune Cook. Mary Hayford volunteered to drive the school bus.

HAROLD L. JORDAN
PUBLIC ACCOUNTANT

Board of Selectmen
Town of Livermore
Livermore, Maine

Gentlemen:

In accordance with your request, an audit has been conducted of the financial records of the Town of Livermore for the Fiscal year ended December 31, 1982.

The examination was made in accordance with generally accepted auditing standards and subsequently included such tests of the accounting records and such auditing procedures as were considered necessary in the circumstances.

In my opinion, the results incorporated in this report present fairly the financial position of the Town of Livermore as of December 31, 1982, and the results of its operations for the year then ended.

Respectfully submitted,

Harold L. Jordan
Auditor

TOWN OF LIVERMORE

FIRE DEPARTMENT REPORT

The Fire Department this year has answered thirty calls, twenty of them chimney fires, two structural fires, namely Chicoine's and the Turner Farms chicken house, the rest being accident calls. Engine two was steamed down and undercoated and the rust being taken care of around the running boards. The Fire Trucks were moved to the new station around the middle of January. We ask everyone to be aware of the intersection of the Fire Station and the Crash Road which could prove to be a road hazard. Please give the right-of-way to the trucks.

Equipment that we will be needing in the future is the replacement of high pressure hose and some canvas hose and protective clothing. Also we would like thirty to forty chairs for the Fire Station.

We would like to remind you at this time to clean your chimneys and to take care of your ashes properly and to put the Fire Department telephone number in a conspicuous place. If you do not have the stickers, please obtain them from the Town Office.

At this time I would like to thank all the volunteer firemen for their time and assistance in fighting fires and in installing and repairing the equipment.

Respectfully submitted,

Carlton M. Berry,
Fire Chief

BEAR MOUNTAIN BLAZERS

What began as a good year for snowmobiling has suffered a serious setback. The springlike weather has melted most of the snowcover. Mother Nature has done it to us again.

Work had begun on most of the trails. Dragging and brushing out those trails that had not been used for a couple of years.

We are working on a new trail over Bowles Hill area. This has gone slow due to so many new landowners in that area.

The club voted to purchase a kitchen range for the new Fire Station - Town Office. I would like to point out that community projects such as this are funded by money earned by club members and not with money refunded by the state.

Club membership is open to everybody, whether you snowmobile or not.

Respectfully submitted,

Dawnalyn Perry, President
Bear Mountain Blazers

LIBRARY REPORT

The annual meeting of the Livermore Library Association was held at the library on June 1, 1983. The following officers were elected: President, Arthur Booth; Vice President, Reuel Gordon; Secretary, Marcia Hamblin; Treasurer, Myrtle Gordon; Librarian, Mary Booth; Assistant Librarians, Marion Irish and Penny Pelletier; Trustees for three years, Reuel Gordon and Myrtle Gordon.

A new oil burner was installed. The heating system now runs more efficiently.

The first grade from Gibbs Mills School visited the Library in June. In July, the trustees held an Open House and Book Sale.

Mary Booth and Penny Pelletier attended a book selection meeting at the Auburn Library in November.

COMMUNITY EMERGENCY SERVICES, INC.

To the Residents of the Town of Livermore:

As we enter 1984, C.E.S. continues in its endeavor to serve the people of Livermore, as well as Livermore Falls and Jay, with responsibility and professional service.

In 1983 C.E.S. had a total of 652 calls with 478 of these being transported to hospitals, 94 of these were from the Town of Livermore.

Approximately 15 members of C.E.S. are from the Town of Livermore, including our new Chief of Service, Dick Collins.

On behalf of C.E.S. I would like to express our thanks for the housing of one of our units in the new Town Office/Fire Station. This will keep this unit warm during winter months and protect it from the weather. A problem we have been faced with in past years.

Again, we thank the community and town for its support in helping us bring the service to this area, we feel it deserves.

Sincerely,

Ken Bryant, President
Community Emergency Services

TRI-COUNTY MENTAL HEALTH SERVICES

I am writing to express the deep gratitude of my Board of Directors, my staff and particularly the patients that we serve from Livermore for the appropriation made at your town meeting. We are thankful that your community has chosen to be supportive of our efforts to serve the people of your community. The support is felt both in terms of recognizing that what we do does have a positive impact and by appropriating dollars to help for those costs for which the people from your community cannot bear the full burden.

As I have indicated on all previous occasions, if you should have any question, concerns or feel that we might provide any assistance to you, please be assured of our availability.

Sincerely,

J. Gregory Shea, A.C.S.W.
Executive Director

ASSESSOR'S NOTICE

In accordance with Chapter 91A, Sec. 34 R.S. 1954 as amended, the Assessors of the Municipality of Livermore, Maine hereby give notice to all persons liable to taxation in said municipality, that they will be in session at Selectmen's Office in said municipality, on the first day of April, 10:00 A.M. - 4:00 P.M. for the purpose of revising lists of estates taxable in said municipality.

Resident Owners

All inhabitants of the municipality of Livermore, Maine and all Administrators, Executors, Trustees, etc. of all estates taxable in said municipality of such persons are hereby notified to **MAKE AND BRING IN TO THE ASSESSORS TRUE AND PERFECT LISTS OF THEIR ESTATES, REAL AND PERSONAL**, not by law exempt from taxation, of which they were possessed on the first day of April, 1983, and be prepared to make oath to the truth of the same and to answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed.

Estates Distributed

And when estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the Executor, Administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice, will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Please return this form to the Board of Assessors
by April 1st.

The foregoing is submitted in compliance with Section 34 of Chapter 91-A of the Revised Statutes of 1954 and is true and correct to the best of my belief as of April 1 of the current year.

I understand that the assessors may require me to make oath of the foregoing, and that any of them may require me to answer in writing all proper inquiries as to the nature, situation and value of any property liable to be taxed in the State of Maine: And that a refusal or neglect to answer such further inquiries and subscribe the same will bar an appeal to the county commissioners.

Persons Doomed

And any person who neglects to comply with this notice is thereby barred on his right to make application to the ASSESSORS or the COUNTY COMMISSIONERS, for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

Blank schedules are inserted in the center of This Town Report and may be removed and sent to the Assessors Office upon completion.

Board of Selectmen
Town of Livermore
Livermore, Me.

Gentlemen:

In accordance with your request, an audit has been conducted of the financial records of the Town of Livermore for the fiscal year ended December 31, 1983.

The examination was made in accordance with generally accepted auditing standards and subsequently included such tests of the accounting records and such auditing procedures as were considered necessary in the circumstances.

In my opinion, the results incorporated in this report present fairly the financial position of the Town of Livermore as of December 31, 1983, and the results of its operations for the year then ended.

Respectfully submitted,

Harold L. Jordan
Auditor

FIRE DEPARTMENT REPORT

The Fire Department this year has answered 46 calls, eight of them being structure fires.

Schools have been held with the Forestry Department and the Fish and Game Department. We are in the process of starting a Search and Rescue Training Course. Also we have had training in pumping and air pack use.

The Fire Station door openers have been installed, also the wash tank and shower. This has been a great improvement and is much appreciated by the Department.

Please take a moment and check your house for fire safety, chimneys, trash, wiring, extension cords, smoke detectors, and properly dispose of ashes. Emergency Telephone Stickers are available at the Town Office.

I would like to thank all the Volunteer Firemen for their time in fighting fires and installing the equipment.

Respectfully submitted,

Carlton M. Berry,
Fire Chief

BEAR MOUNTAIN BLAZERS

This year finds the club in good shape. Membership is up considerably over last year. Not only snowmobiling families but several cross country skiers have joined us.

Our Meetings are held in the conference room at the Fire Station at 7:00 P.M. the second Sunday of the month. Please feel free to join us.

We finally have enough snow to ride on. Work is being done on trails neglected for the past several years. We still have a lot of work to do brushing out, dragging and marking trails.

A wish come true - over the past years we have saved the money that comes from registration and have purchased a new 1985 Ski-Doo Skandis machine for dragging trails. Jean Hold will oversee the operation on this machine.

Respectfully submitted,

Dawnalyn Perry, President

LIBRARY REPORT

Due to a printer's error, last year's "thank you's" were omitted. Many thanks to John Newman for snow plowing and Walter Pulkkinen for grass cutting.

We wish to extend our appreciation for her many years of volunteer work to Marion Irish, who retired last year.

Through the efforts of Dennis Stires, we have a Book Return Box on the porch of the Library. Please use it for your overdue books when the library isn't open.

Arthur Booth built new steps at the back door.

The Livermore-Livermore Falls Historical Society honored three area libraries at their February meeting. A commemorative brick was presented to each of the following libraries: Livermore, Treat Memorial and Underwood Memorial.

The following officers were elected at the annual meeting of the Library Association on June 5, 1984: President, Arthur Booth; Vice President, Reuel Gordon; Secretary, Marcia Hamblin; Treasurer, Myrtle Gordon; Trustees for three years, Marcia Hamblin, Hilda Kirwan and Muriel Bowerman; Trustee for one year, Jane Keene.

Respectfully submitted,

Mary W. Booth, Librarian

COMMUNITY EMERGENCY SERVICES, INC.

To the citizens of Livermore:

As we enter 1985, our sixth year of operation C.E.S. continues to grow. We are continuing to improve the quality of care through more advanced courses, while also bringing in new people. Our existence is only possible through the dedication of our ambulance and dispatch personnel.

We the members of C.E.S. deeply appreciate the strong, and continued support, of the area businesses, organizations, and individuals. The life saver fund was a big success, "THANKS TO ALL." One defibrillator has been purchased and the other one will be ordered soon.

The Fire Department also deserves a big "THANKS", for always being there when needed.

In 1984, we had a total of 604 calls, 79 of these calls were in Livermore.

TRI-COUNTY MENTAL HEALTH SERVICES

REPORT FOR TOWN WARRANT

JANUARY 1984 - OCTOBER 1984

Tri-County Mental Services is the federally designated and state licensed comprehensive community mental health center providing a range of services to the residents of your community. We have been providing a range of services to the residents of your community. We have been providing the services since 1951. Tri-County is a private nonprofit corporation. It is governed by a Board of Directors of thirty people representing, proportionately, the residents of Androscoggin, Franklin and Oxford Counties. The Board of Directors, representing your community, legally oversee all of the financial and programmatic operations of the center. They are always there to speak on your behalf.

Tri-County provides the following range of services for the residents of your community: inpatient services (at St. Mary's General Hospital); outpatient services (at seven different locations in Androscoggin County); consultation, education, training and prevention services to other caregivers in the community (schools, police, nursing homes, etc.); partial hospitalization services for the chronically mentally ill; emergency services (twenty-four hours a day, seven days a week, fifty-two weeks a year); a range of services to the criminal justice system (to the courts, probation and parole, etc.); rehabilitation services to the mentally retarded; and alcohol and drug abuse counseling services.

It is the foremost intention of this agency to reduce emotional pain and dependence upon chemicals, to rehabilitate those in need and to prevent people from ever needing

our services. Your appropriation serves to defray the cost of our services which the residents of your town cannot afford to pay. This makes us truly a public service. No one is ever refused service because of inability to pay. Every effort is made, however, to collect payment for services, which is predicted upon a sliding fee scale assessment of a patient's ability to pay.

I am sure that what we have done, and what we do generally is known to many of you regarding this report. We would appreciate any reactions you have to what we do or ought to be doing at any time.

During this past year, we have had 6 admissions, with a total of 9 active cases.

This year, we signed up 24 students. The first week of the program was spent in swimming lessons with Margot Dudley. We spent a full day in Portland on Peak's Island. The children were able to ride in Casco Bay Ferry back and forth to the island. They also swam in the ocean and brought home shells and rock samples. A very informative day was spent at the Augusta Museum. Pinocchio warmed his way into the children's hearts at Monmouth Theater. The children also registered their bikes with off-duty officer Dale Bellman and filed the numbers at the Livermore Town Office. We had sessions on nutrition and stenciling. Stan Davis, from Tri-County Mental Health, visited us with his guitar for a sing-along again this year. The children demonstrated their talents and hobbies on dress-up day. The students also familiarized themselves with the Livermore library. Mr. Marstaller created a "search for lost treasure" atmosphere when he introduced the children to metal detecting.

Brenda Crocker, Karen Boucher, Lea Young, Patrick Bourassa and Ross Hamblin volunteered as counselors this year. As in past years, Mary Hayford graciously donated her time as bus driver.

Marie Boucher

The foregoing is submitted in compliance with Section 34 of Chapter 91-A of the Revised Statutes of 1954 and is true and correct to the best of my belief as of April 1 of the current year.

I understand that the assessors may require me to make oath of the foregoing, and that any of them may require me to answer in writing all proper inquiries as to the nature, situation and value of any property liable to be taxed in the State of Maine: And that a refusal or neglect to answer such further inquiries and subscribe the same will bar an appeal to the county commissioners.

Persons Doomed

And any person who neglects to comply with this notice is thereby barred on his right to make application to the ASSESSORS or the COUNTY COMMISSIONERS, for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

Blank schedules are inserted in the center of This Town Report and may be removed and sent to the Assessors Office upon completion.

ROAD COMMITTEE REPORT

The Livermore Road Committee Consisted of five members: Tom Berry, Lionel Castonguay, Tom Richmond, David Punch Jr., and Douglas Coombs. The town roads where driven over and evaluated as to the road conditions and traffic flow. Many meetings were held in 1984 to establish a system to place the town roads into six different categories. They are: A, B-1, B-2, C-1, C-2, and Bad Bridges. Most roads consist of one or many categories. They are defined as followed:

- TYPE A: Type A road is in good condition with a low to moderate traffic flow. A small amount of maintenance and overlay of hot top to preserve the existing conditions of the road. Town of Livermore has 21.3 miles of Type A roads.
- TYPE B-1: Type B-1 road is a road that has a relatively good road bed, but is somewhat narrow. Culverts and ditching is needed in large quantities. Traffic flow is low to moderate. The corrective measure of the Type B-1 road are ditching to drain surface conditions and subgrade with many new and larger culverts. The road surface should be increased to 20 feet and a complete hot top overlay of the existing road base and widen area. Town of Livermore has 11.5 miles of Type B-1 roads.
- TYPE B-2: Type B-2 is in same condition as the Type B-1 road. Traffic flow of the Type B-2 road is moderate to heavy. The added traffic on the Type B-2 road is the reason for its different classification. Repairs of a Type B-2 road is the same as Type B-1, with one exception, road width. The Type B-2 road should be 22 feet wide. Town of Livermore has 3.3 miles of Type B-2 roads.
- TYPE C-1: Type C-1 road is in very poor condition and needs a complete rebuild. The traffic flow is low to moderate. The basic rebuild of the road should consist of a 20 foot paved road with one foot six inches of gravel depth, two inches of hot top binder course and one inch of hot top surface course. Complete ditching and culvert work. Town of Livermore has 2.9 miles of Type C-1 roads.
- TYPE C-2: Type C-2 road is the same as the Type C-1 road but has a moderate to heavy traffic flow. The same work should be done on the Type C-2 road being 22 feet wide. Town of Livermore has 1.6 miles of Type C-2 roads.

Bad

Bridges

They are bridges in poor condition and could be a safety hazardous. The replacement of those bridges with a multi-plate culvert is the most economical. Town of Livermore has 4 bad bridges.

The Livermore Road Committee compiled typical sections and estimated prices per mile per category. They are listed as followed:

TYPE A:	= \$ 22,100.00 per mile
TYPE B-1:	= \$ 90,000.00 per mile
TYPE B-2:	= \$ 99,000.00 per mile
TYPE C-1:	= \$220,000.00 per mile
TYPE C-2:	= \$242,000.00 per mile
Bad Bridges:	= \$ 25,000.00 per mile

The Livermore Road Committee was asked by the Town Selectman to take a close look at the River Road, from Glove Shop to the Livermore-Jay Town Line. The Livermore town crew has been placing ledge on the side of the road on the river bank. The ledge was supplied by International Paper Company from their dam project. When the ledge was all in place the road was surveyed and a new profile was drawn of the widened road section. The construction cost of the Type C-1 typical road and new profile would be \$106,000.00.

The Road Committee also compiled a list of priority roads for the next five years. They are listed below as follows:

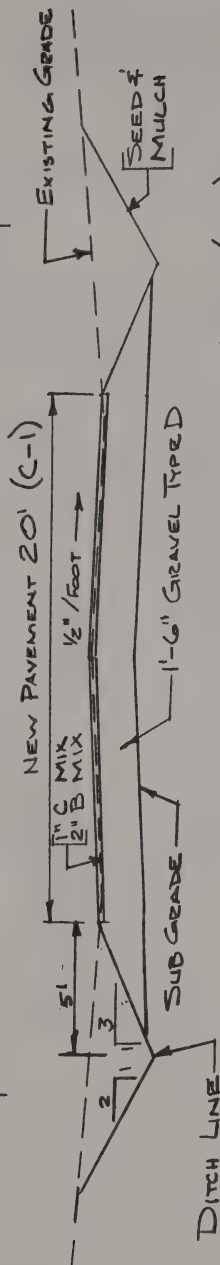

- | | |
|---|---------------------------|
| 1. North River Road | 6. Sanders Road |
| 2. Goding Road | 7. Norton Road Bridge |
| 3. Hines Corner Road | |
| 4. River Road (Keene's Hill)
(2 Flood Zones) | 8. Gibbs Mill Road Bridge |
| 5. Norland Road | |

Board of Selectmen
Town of Livermore
Livermore, Me.

Gentlemen:

In accordance with your request, an audit has been conducted of the financial records of the Town of Livermore for the Fiscal year ended December 31, 1984.

The examination was made in accordance with generally accepted auditing standards and subsequently included such tests of the accounting records and such auditing procedures as were considered necessary in the circumstances.

In my opinion, the results incorporated in this report present fairly the financial position of the Town of Livermore as of December 31, 1984, and the results of its operations for the year then ended.

Respectfully submitted,

Harold L. Jordan
Auditor

The foregoing is submitted in compliance with Section 34 of Chapter 91-A of the Revised Statutes of 1954 and is true and correct to the best of my belief as of April 1 of the current year.

I understand that the assessors may require me to make oath of the foregoing, and that any of them may require me to answer in writing all proper inquiries as to the nature, situation, and value of any property liable to be taxed in the State of Maine: And that a refusal or neglect to answer such further inquiries and subscribe the same will bar an appeal to the county commissioners.

Persons Doomed

And any person who neglects to comply with this notice is thereby barred on his right to make application to the ASSESSORS or the COUNTY COMMISSIONERS, for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

Blank schedules are inserted in the center of this Town Report and may be removed and sent to the Assessors Office upon completion.

FIRE DEPARTMENT REPORT

The fire department this year has answered thirty fire calls, three of them being structure fires.

A new base radio was purchased this year with matching grant money from the Forest Service, also they have given us a truck to use as long as we maintain it. A 1600 gallon fuel tank has been mounted on it and it is being piped up.

The firemen built a sign and erected it plus seeded and planted shrubs at the station. Area firemen were invited to a supper and meeting at the station with over one hundred attending.

Please take a moment to check your house for fire safety, chimneys, trash, extension cords, smoke detectors, and properly dispose of ashes.

I would like to thank the firemen for their time in fighting fires, maintaining equipment, station and improving grounds.

Respectfully submitted,

Carlton M. Berry, Fire Chief

COMMUNITY EMERGENCY SERVICES, INC.

To the citizens of Livermore:

As we enter 1986, our seventh year of operation, C.E.S. continues to grow. We are continuing to improve the quality of care through more advanced courses, while also bringing in new members. As you probably know it is a very difficult task to keep volunteer groups like ours going. Our existence is only possible through the dedication of our dispatch and ambulance personnel. In the past year C.E.S. responded to 569 emergency calls, 75 of which were in Livermore.

The members of C.E.S. deeply appreciate the strong and continued support of the area businesses, organizations, and individuals of the town of Livermore. In the past year our "Life Saver" program was completed with the purchase of the second defibrillator, and we also purchased a new road rescue ambulance. Our service is now fully licensed and fully equipped to provide intermediate care, which includes starting IV's and cardiac defibrillation in the field.

Again this year we thank the Livermore Fire Department for their assistance with manpower and lighting, it's very much appreciated.

We look forward to continued growth in 1986 and to servicing you with the best possible emergency care.

Respectfully submitted,

Don Leclerc, President
Community Emergency Services

REPORT FOR TOWN WARRANT

January, 1985 - October, 1985

Tri-County Mental Health Services is the federally designated and state licensed comprehensive community health center providing a range of services to the residents of your community. We have been providing the services since 1951. Tri-County is a private nonprofit corporation. It is governed by a Board of Directors of thirty people representing, proportionately, the residents of Androscoggin, Franklin and Oxford Counties. The Board of Directors, representing your community, legally oversee all of the financial and programmatic operations of the center. They are always there to speak on your behalf.

Tri-County provides the following range of services for the residents of your community: inpatient services (at St. Mary's General Hospital); consultation, education, training and prevention services to other caregivers in the community (schools, police, nursing homes, etc.); partial hospitalization services for the chronically mentally ill; emergency services (twenty-four hours a day, seven days a week, fifty-two weeks a year); a range of services to the criminal justice system (to the courts, probation and parole, etc.); rehabilitation services to the mentally retarded; and alcohol and drug abuse counseling services.

It is the foremost intention of this agency to reduce emotional pain and dependence upon chemicals, to rehabilitate those in need and to prevent people from ever needing our services. Your appropriation serves to defray the cost of our services which the residents of your town cannot afford to pay. This makes us truly a public service. No one is ever refused service because of inability to pay. Every effort is made, however, to collect payment for services, which is predicted upon a sliding fee scale assessment of a patient's ability to pay.

I am sure that what we have done, and what we do generally is known to many of you regarding this report. We would appreciate any reactions you have to what we do or ought to be doing at any time.

During this past year, we have had 3 admissions, with a total of 12 active cases from Livermore.

ASSESSOR'S NOTICE

In accordance with Chapter 91A, sec. 34 R.S. 1954 as amended, the Assessors of the Municipality of Livermore, Maine hereby give notice to all persons liable to taxation in said municipality, that they will be in session at Selectmen's Office in said municipality, on the first day of April, 10:00 A.M. - 4:00 P.M. for the purpose of revising list of estates taxable in said municipality.

Resident Owners

All inhabitants of the municipality of Livermore, Maine and all Administrators, Executors, Trustees, etc. of all estates taxable in said municipality of such persons are hereby notified to **MAKE AND BRING IN TO THE ASSESSORS TRUE AND PERFECT LISTS OF THEIR ESTATES, REAL AND PERSONAL**, not by law exempt from taxation, of which they were possessed on the first day of April, 1986, and be prepared to make oath to the truth of the same and to answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed.

Estates Distributed

And when estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the Executor, Administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice, will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Board of Selectmen
Town of Livermore
Livermore, Me.

Gentlemen:

In accordance with your request, an audit has been conducted of the financial records of the Town of Livermore for the fiscal year ended December 31, 1985.

The examination was made in accordance with generally accepted auditing standards and subsequently included such tests of the accounting records and such auditing procedures as were considered necessary in the circumstances.

In my opinion, the results incorporated in this report present fairly the financial position of the Town of Livermore as of December 31, 1985, and the results of its operations for the year then ended.

Respectfully submitted,

Harold L. Jordan
Auditor
